INNOVATIONS & PROJECTS

You're blazing trails with new tips & tools or starting to formally collect data from your CBME implementation

CHALLENGES

You're in the trenches and can report back what you're noticing, no worries if you don't have any solutions yet

QUESTIONS

You're curious about some trends or things you've heard about CBME, regardless of whether you've launched CBME or not

- Share your experiences
- Ask questions if you're yet to launch
- Learn from others
- Get recognized for your work

Education scientists from the **Centre for Education Research & Innovation (CERI)** will be present to facilitate discussion

WE HIGHLY ENCOURAGE STUDENTS & RESIDENTS TO PARTICIPATE
