## Major in One Health + Major in Pathology

**This combination of Majors can only be completed in a BMSc Honours Degree.**

**11.0 unique courses must be completed for the modular requirements for the [Major in One Health](#) + [Major in Pathology](#):**

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- see [Course Selection](#) for general information about choosing your courses for Years 2-4. This worksheet does not indicate the minimum marks required in courses and the order in which courses should be taken - check the [Academic Calendar](#) for prerequisites for courses and any notes that may appear in [the modules](#), and plan accordingly.
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.

**NO course can be used in two places below**

0.5		Biochemistry 2280A
0.5		Biology 2382A/B
0.5		Chemistry 2213A
0.5		Biology/Statistics 2244A/B
1.0		Anat Cell Bio (ACB) 3309 or (ACB 2200A/B + either ACB 3200A/B or Mic Imm 2500A/B)
1.0		One Health 3300A (mark of at least 70% is required) <b>and</b> One Health 3600B
1.0		Pathology 3500 (mark of at least 70% is required)
1.0		Physiology 3120
0.5		0.5 course from picklist in <a href="#">Major in One Health</a>
1.0		1.0 course from picklist in <a href="#">Major Pathology</a> <span style="color: red;">+</span>
1.0		One Health 4100F/G and One Health 4700B (or the former 4800B)
0.5		Pathology 4400B
1.0		<a href="#">1.0 substitute course for the Major in One Health</a>
1.0		<a href="#">1.0 substitute course for the Major in Pathology</a>
<b>= 11.0 courses</b>		

Full details about the [Common Course Policy](#) are found on the BMSc website.

For these Double Majors, there are 3.0 "common courses": Biochemistry 2280A, Biology 2382A/B, Chemistry 2213A or Bio/Stats 2244A/B (whichever has the higher mark), Pathology 3500 and 4400B. The 1.0 common course (either one full course or two half courses) with the highest marks are double-counted/used toward both Major modules. 1.0 of the remaining 2.0 common courses is used only toward the Major in One Health and the other remaining 1.0 common course is used only toward the Major in Pathology, leaving each Major short by 1.0 course. For each module, 1.0 "substitute course" must be taken.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.).

**Your quick graduation check for BMSc degree with Major in One Health + Major in Pathology:**

<u>Year 1</u>	<u>Breadth</u>	<u>Essay</u>	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	--------------	--------	--------------	--

Submit this form for review **ONLY if you are in Year 4 and unsure if all the requirements to graduate will be satisfied**. To submit the form, go to the [BMSUE Question Portal](#). Select your student category on the left and then Graduation Requirements on the right - upload your form

RESET FORM

Clicking "reset" will clear everything that you have entered above

**BMSUE Office use only:**

Satisfies requirements for graduation.
