EVENT DESCRIPTION

At Schulich, we are all for supporting one another, and we want to see you all succeed! The classes of 2027 and 2026 ASPIDG students have put together a presentation with study tips and advice for your first-year classes. We hope you bring your burning questions for our Q&A!

There are lots of ways to get involved during your time at Schulich. Join us for subs and cookies as representatives from various UWODSS clubs provide you with detailed information on how to get involved!

Forge new connections, and show your new friends some love as you paint portraits in pairs, craft friendship bracelets, and write warm fuzzies for one another.

Can you *spare* an evening? Don't leave us in the *gutter* and join us for a fun night of bowling and pizza! We are certain that this night will be right up your *alley*!
