

Elevate Your Career in Pathology, Live in a City Where Innovation Meets Stunning Coastal Living!

Are you a highly skilled Pathologists' Assistant ready to elevate your career and make a meaningful difference in patient care? Canada's most vibrant healthcare regions is hiring! Metro Vancouver and the Fraser Valley are seeking skilled and passionate Pathologists' Assistants to join our leading-edge pathology teams.

[Provincial Laboratory Medicine Services \(PLMS\)](#) provides laboratory testing at 31 sites across the lower mainland and central coast of BC, including acute care hospital laboratories and specialty laboratories.

PLMS is part of the Provincial Health Services Authority (PHSA).

The Provincial Health Services Authority ([PHSA](#)) plans, manages and evaluates specialized health services with the BC health authorities to provide equitable and cost-effective health care for people throughout the province. Our values reflect our commitment to excellence and include: Respect people – Be compassionate – Dare to innovate – Cultivate partnerships – Serve with purpose.

### **Why join our team?**

Imagine a role where your technical expertise and problem-solving skills are tested daily. As a Pathologists' Assistant, you'll be at the forefront of medical innovation, working with a diverse range of specimens that will enhance your confidence and expand your expertise. Each case is a puzzle waiting to be solved, and your work directly contributes to a comprehensive pathology report that influences life-saving decisions.

You'll thrive in a large, high-volume environment that offers variety and excitement in every task. From complex specimen dissections to quality management input, your role is critical. And with our commitment to professional development, including CME training opportunities, in house training and support, you'll always have the resources to stay ahead in your field and grow your career!

### **What you'll do**

- Perform gross examinations, detailed dissections, and dictation of surgical specimens, ensuring all crucial data is captured
- Obtains and review clinical history, laboratory data, x-rays and scans when relevant to the grossing of a specimen.
- Work closely with pathologists to review challenging gross specimens, pertinent clinical data and take relevant sections to produce complete pathology reports.
- Actively participate in Quality Management programs, providing insights to improve processes and outcomes.
- Communicates needs for new or updated equipment to supervisor and assists with equipment evaluation and selection.

### **What you'll bring**

- Certification or eligible for certification with Canadian Certification Council of Pathologists' Assistants (CCCPA) certification.
- Graduation from an approved Master's Pathologist Assistant Program and/or two (2) years' recent surgical pathology experience

### **Skills and Abilities**

- Strong time management skills and the ability to work independently while aligning with the organization’s mission, vision, and values.
- Demonstrated ability to communicate effectively with the public, medical staff and the members of the interdisciplinary team using, oral written and computer communication means.
- Demonstrated ability to effectively resolve conflict.
- Demonstrated ability to integrate and evaluate pertinent data (from multiple sources) to problem-solve and make decisions effectively.

### Why You’ll Love This Role

This isn’t just another job – it’s a career where your contributions have a direct impact on patient care. You’ll join a team that values diversity, accountability, and innovation. You’ll have the opportunity to mentor new graduates, work with a wide variety of specimens, and be part of a supportive team atmosphere where collaboration is key. Every day offers a new challenge, and every case you touch matters.

We offer benefits including:

- Join one of BC’s largest employers with province-wide programs, services and operations – offering vast opportunities for growth, development, and recognition programs that honour the commitment and contribution of all employees.
- Access to professional development opportunities through our in-house training programs, including +2,000 courses, such as our San’yas Indigenous Cultural Safety Training course, or Core Linx for Leadership roles.
- Enjoy a comprehensive benefits package, including municipal pension plan, and psychological health & safety programs and holistic wellness resources.
- Annual statutory holidays (13) with generous vacation entitlement and accrualment.
- PHSA is a remote work friendly employer, welcoming flexible work options to support our people (eligibility may vary, depending on position).
- Access to WorkPerks, a premium discount program offering a wide range of local and national discounts on electronics, entertainment, dining, travel, wellness, apparel, and more.

### Ready to Shape the Future of Pathology?

If you’re driven, resourceful, and ready to make a tangible difference, we want you on our team. Join our healthcare team in one of the world’s most desirable cities, where your career will thrive alongside breathtaking nature, vibrant culture, and endless opportunities for growth.
